MINISTRIES

PARTNERSHIP BROCHURE

Dear Beloved!

If you are reading this, then you have probably come across me or my ministry in one form or the other. I would like you to spare me a few moments of your time to share with you.

Debola Ajayi Ministries is the expression of the assignment God has called me to. This assignment has a few different dimensions I would like to share with you. Before I do this, I would like to lay a scriptural foundation about the

importance and benefits of partnerships. Paul in 2 Corinthians 9:1 - 2 says; “There is no need for me to write to you about this service to the saints. For I know your eagerness to help, and I have been boasting about it to the Macedonians, telling them that since last year, you in Achaia were ready to give; and your enthusiasm has stirred most of them to action”.

This shows us that we must not underestimate the impact our support [which Paul calls our service to the saints] serves as a pointer of encouragement to other members of the body, seeing your passion in and for the things of the lord. I encourage you to read the whole of 2 Corinthians 9.

Another fact I would like to point out is that partnership with a ministry on the earth is partnering with the lord, as these ministries are an expression of His heart towards His people.

Men have always been His instrument and vehicle of operation on the earth.

Now how does partnering with God work? We must understand there is a way to partner with God. Let me point out a few things

# A WALK OF FAITH

Faith is the epicentre of all our dealings with God as it is the only way we open his ability to work in our lives and circumstances. Now How does Faith work? Luke 17:6 says “if you have faith as small as a mustard seed...” Mat 13:31 says “Another parable he put forth unto them saying, The kingdom of heaven is like a grain of mustard seed, which a man took and sowed in his field.”

You must see what you have to give [Operationally, spiritually, and financially] as a seed you are casting into the ground, fully expecting the lord to Give you an increase on that seed. You see 2 Cor. 9: 10 says “Now he that ministereth seed to the sower both minister bread for your food and multiply your seed sown, and increase the fruits of your righteousness. So your attitude

must be what I have to give [my time, energy, prayers, money] was given to me by God, so He wants me to take a portion of it and sow it into His kingdom, giving him thanks and expecting Him to multiply the harvest of my seed back to me. So what is the operation here?

1. I take of what I have and sow it into the kingdom [An expression of what God is doing to establish Himself on the earth]
2. I go to God thanking him for the ability to sow my seed and fully expecting Him [not man] to multiply it back to me. This means in your walk with God, you must have mastered Him as your source.
3. I watch out to steward properly what He begins to channel my way for it is my part to sow, it His part to make all grace abound towards me [2 Cor. 9:8] and then It is MY part to steward.

## THERE IS NO SEPARATION OF MY WALK WITH HIM AND MY GIVING TO HIM.

Simply put, he is not more interested in your giving than the manner of your conduct before Him. The record and impact of your giving before Him is directly proportional to the quality of your walk before Him.

Now, with that foundation laid, let's talk abit more about what DA Ministries is up to in the coming year.

There are a few major expressions God has asked me to focus on over the next couple of months;

1. **Raising a Global Network Of Intercessors:** The vehicle through which we are doing this is Press - IN. Press - IN stands as a signature entry into a city, a place where God encounters His people and enlists them into His Army of Intercessors.
2. **Campus Expressions:** Campuses have always been a hotbed for the recruitment of souls in these end times. We find heavy amounts of spiritual activity by both kingdoms

across campuses globally. We believe in setting the course of young people as well as setting them on fire for God.

3. **Industry and Commerce:** Believers all over the world are engaged in the world of business and commerce, participating in the creation and exchange of value in the world. We believe that believers should walk this field fully empowered with the anointing of the Holy Spirit to create, sustain, and deploy value in their respective fields. I once heard the testimony of Oral Roberts, wherein in one of his meetings, he gave a word about God giving people ideas. There was a man in the crowd who was broke and dirt poor. He had created an idea for Volkswagen that could be used in producing parts for their vehicles. Volkswagen had rejected this idea time and again. After hearing this word, he went home, introduced the idea, tweaked a few things, and re-submitted it to Volkswagen. This time the idea was accepted, and he became a multi-millionaire in dollars. This man became one of the major contributors to the building of ORU.
